Date: -----

Subject: Submission of Declaration Form for Copyright and Conflict of Interest.

I/we certify that I/we have participated commencement and design of this work or the analysis and understanding of the data, as well as the writing of the manuscript, to take responsibility for it and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work. I/We understand that the material being presented do not contain or include material taken from other **copyrighted sources**. Wherever such material has been included, it has been clearly indicated or/and identified in the paper and proper acknowledgements given by citing the source at appropriate places. Wherever required I/We have taken consent and acknowledged the source.

The articles must represent original research material, should not have been published before and should not be under consideration of publication elsewhere. This, however, does not include previous publication in form of and abstract of as part of published literature. It is the duty of the author obtains the necessary permissions for extensive quotations, tables, illustrations or any other copyrighted material they are using in the paper before a paper can be considered for publication.

Criteria for contribution of authors: All the authors have contributed in the study design and drafting of article. The first author has played major role in acquisition, analysis and interpretation of data. The second author has played a main role in the final version of the article.

Copyright of the article gets transferred to IJPSM Publication, once the article has been accepted for publication. The authors would be sign the **“Copyright Transfer Form and Conflict of Interest”** before his/her article is considered for publication. Once the corresponding author has signed the copyright transfer statement, **Indian Journal of Preventive & Social Medicine** would accept no change in authorship or in the order of the authors listed on the article. I/We hereby authorize the Editor of the journal to perform formatting, copy editing and minor grammatical corrections and make changes in the article to make it suitable for publication in the journal. I/We hereby transfer all the copyrights relating to the said article to the publisher.

Undertaking by the authors: The manuscript has been read and approved by all the authors, the requirements for authorship have been met, and each author believes that the manuscript represents honest work.

Once the Indian Journal of Preventive & Social Medicine is accepted the manuscript for publication, it becomes the assets of Indian Journal of Preventive & Social Medicine, whose permission is required for any operations covered by the **Copyright Act**.
